Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 6th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46305

I strongly object to this proposal. It is unbelievable that you would even consider building so many new homes on what is currently a flood plain. Why is it a deviation? Also Doctors and Schools are already bursting at the seams. The local amenities simply cannot cope any more numbers. This sounds like a money-making exercise for a developer - as always, and no Council is bothered about the bigger picture and the devastating affect this will have on residents who have lived here all their life. It is not progress - it is another reason for you to line your pockets!

I am very disturbed at what is planned, and if permission is granted, then a formal enquiry needs to be started as to why.

Your views as made above will be considered before the application is determined.
