Subject: development at Bognor Regis golf course

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

We would like to oppose the development of the Bognor Regis Golf course. The area is resources are already overstretched with regards to Doctors, Dentists, Recreation ,Care for the Elderly and vulnerable and Police.

There are enough large empty properties and houses for sale in the area.

The few green spaces left are necessary for both mental health and the enviroment and to develop this area would do nothing to improve the general well being of the area.
