I am writing to object to the proposed development of Bognor Golf club. This is a beautiful piece of land with stunning trees etc. Not only is this going to completely ruin what is a lovely place to live but the local infrastructure can no longer support any more housing developments.. schools, doctors are at breaking point..roads are already congested. We really don't need it..having lived here for 60 years what once was a beautiful place to live is slowly being destroyed for future generations.
