Sir/Madam,

Have you considered this planning extremely carefully, the council attempted to do this quite a few years ago and were not successful thankfully.

Why are you not considering LITTLEHAMPTON or ARUNDEL there is plenty space in these areas, NO let's keep going to BOGNOR or FELPHAM you are taking all the green areas away making the beginning of a CONCRETE JUNGLE which I moved away from 21 years ago.

You are not providing extra schools hospitals or surgeries making an even worse situation we are already in.

Estates bring anti-social behaviour which we have enough of already you are making the situation, at the same time the roads will be become bottlenecks for which they are becoming already and as for MAINTING THE ROADS thats the biggest joke ever there are nothing but potholes and you are going to help matters even worse as I said you just see a piece of land NO PROPER THOUGHT is put into this as far as you are concerned you just pound signs.

You seeking to build on Chalcraft Lane running into Chichester Road bit more concrete jungle NOW YOU WANT FELPHAM GOLF COURSE what else all these will converge into the biggest traffic jam but that doesn't concern you does it because it doesn't interfere with you, you more than likely live in LITTLEHAMPTON or ARUNDEL god forbid let's not ruin these places?

I hope you get the biggest submissions of objections because you have not thought this out at all.

WE DO NOT WANT THIS TO GO AHEAD for once LISTEN TO THE PEOPLE who live here and STOP THINKING OF POUND SIGNS, the money you make doesn't even go back into Bognor or Felpham
