Hello.

I wish to add my name to the list of objections to the proposed plan to build houses on this critical wildlife and environmental piece land.

Please read the following account and put forward my objections.

“Objections for 480 plus houses on Bognor Golf Course must be sent to Arun DC by 9th April. Nick Gibb, MP is opposed to the development and proposed new course north of Ancton Lane. The Felpham Parish Council is unanimously opposed, and Dr Rogers of Flansham surgery has said they will not be able to cope.

It will not only be those in Downview Road who will be trapped, the whole of Felpham and the A259 will suffer huge traffic congestion. Schools will be jam packed, and with sea levels and rainfall set to rise, the course, much of which is already flood zone, Level 3 (the worst) can only get worse!”

Yours sincerely

Ray Timms.
