Dear Sir

I want to strongly oppose the planning of new homes on the existing Bognor Golf Club site.

I live in Stratton Court which back directly on to the Aldingbourne rife just 20 feet away from a 20ft wide outlet towards the sea. I would be directly affected by the building to so many homes. I have images of the golf course with bunkers completely filled with water due to the low level of the water table. It is absolute madness. Just pure greed by everyone involved in hatching this ridiculous plan. It's a perfectly good golf course and the need for bigger facilities as an excuse for these proposals is just a wanton disregard for Felpham and the residents and the challenges already facing the schools, doctors surgeries after all the other developments around the outside of the town.

I strongly object. It will be a nightmare for us all.

Yours faithfully

Sarah VIGNEAULT
