I have spent many, many hours enjoying the beauty of Bognor Golf Club. The wildlife is wonderful to have in such close proximity to Felpham village.

Felpham has already given away so much Green space by having the new Blakesmead estate built.

This new idea for housing on the Golf course is not even the 'Local Plan' So surely we do not need to build further. I have lived here for 59 years and I have accepted that Felpham has had to grow as new housing is needed for increased population. But this village has done its bit. Please leave us this beautiful enclave of nature.

After all, the continuous flooding problems on the Golf course will cause huge problems for any housing that is built there.

And we must take note of the serious traffic issues we already have at Downview road traffic lights. Adding to the number of cars coming out of Downview Rd will be a disaster.

Your views as made above will be considered before the application is determined.
