Dear Sir/Madam

I want to object to the planning of at least 600 houses on Boscawen Lane Coulee.

FP 1274 / 21 / 07 - EXISTING GOLF COURSE

M 116 / 22 / PL - NEW PROPOSED COURSE WITH ANTON LANE

Anton has a golf course and a magnificent 'Ancient Wood' and ancient people and the environment.

There are ancient trees, deer, foxes, a badger and hundreds of birds (including a nesting cuckoo) on this area and it would be a tragedy if all this were to be wiped out.

What happens to the idea that the environment and countryside and its wildlife has a numerical value of its own to set against the value of money and profits?

And, I object to the ruin of this case area.

Yours faithfully,
