Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 7th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46375

The proposal for single access point through Downview Road will make the, already busy, road very unsafe especially with school runs. Downview Road and the junction with Felpham Way has already seen an increase in traffic due to the restriction of through traffic on the Roundle Estate (installation of barriers). Adding, in excess of, 700 cars (estimates are nearer 900) to the already busy junction will increase the likelihood of accidents and congestion.

In addition, the local services infrastructure cannot cope with additional residents on this scale. The local Doctors Surgery (Flansham Park) is already at capacity and is unlikely to be able to take on the numbers proposed for this development.

The local primary schools are also almost at capacity. Downview is already full and, whilst there may be capacity at Bishop Tufnell, attendance at this school would require parents to transport their children by car, which will also saturate the already extremely busy Downview/Felpham way junction.

This development goes against both the neighbourhood plan for Felpham, which has been approved, as well as the ADC Local Plan. It totally undermines both plans and removes the green gap that currently exists between Felpham and Bognor. Removing this gap increases the probability of the area becoming an urban sprawl and reduces the ability to identify Felpham as a separate entity to Bognor and other surrounding villages.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
