Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 8th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46417

I object to the plan because:

Loss of more green space with impact on wildlife.
More housing connected to an already over loaded sewage system.
The local roads cannot cope with more traffic.
The housing won't be used for affordable housing of local people but outside investors.
There is already far too much development in our area which is spoiling the coastal strip of West Sussex.
The water supply for the area is already under pressure.
Any more development will increase our impact on climate change.
There will be more pressure on our local services; schools, GPs, hospitals, Dental surgery's which are already struggling to cope with the existing population.

Your views as made above will be considered before the application is determined.
