Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 8th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46421

Why put nearly 500 houses on an area that floods? If the golfers can't cope with it, how will all those buildings. An exit road onto Golf Links Way will cause unnecessary traffic, and potentially cause a danger to children attending Downview School, not to mention increasing the already busy traffic on Downview Road and the A259. The local wildlife including deer, rabbits, badgers, foxes, buzzards and woodpeckers will be displaced when their habitats are destroyed. The local schools, doctors and dentists are already full to capacity. The build will also cause noise and disruption to the local residents, as well as potentially reducing the value of their properties. This development is not in the local plan and should not be considered, nor should any other development on the golf course site in the future.

Your views as made above will be considered before the application is determined.
