Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 8th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46473

This development would have a drastically detrimental impact on those living in the roads that will carry the extra traffic, the character of the village, and the local wildlife. I recall the surveys that were carried out prior to the construction of Blakes Mead to establish ability of the local infrastructure to sustain the increase in demand on schools, doctors and hospitals - the results underestimated the impact and these facilities are still struggling to meet the demand for their services. Making such a large increase in the population would result in more chaos and stress for everyone. The new roads built to cope with the increase in traffic are now frequently jammed, and the reduction of green spaces and trees will mean that the natural reduction of pollution, small as it may be, will be greatly depleted.

Your views as made above will be considered before the application is determined.
