Thank you for your internet representation made on 9th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46495

I would like to submit my objection to the proposed development on Bognor Regis Golf Course for the following reasons;

There is not sufficient drainage, flooding regularly occurs.

There is not sufficient sewerage, we have problems with our sewers on the nearby estate and sewage has reportedly been dumped on five occasions into the sea recently because the systems cannot cope.

This proposal completely ruins the village life and the reason we chose to live here, the plan for 480+ new homes will directly our lifestyle, choices and future.

The roads are already congested, they are small country roads for a village and we want to keep it that way.

There are not enough doctors surgeries.

There are not enough hospitals.

There are not enough dentists

There are not enough schools.

There are not enough green areas.

There is not enough walking areas.

Animals, birds and insects inhabit this land.

Why should it be the decision of one person/business to completely ruin the local eco system, habitat, village

life, and green space for all others in the surrounding area?! WE OBJECT to this. We do not want it. PLEASE STOP
