Application FP/274/21/OUT - OBJECTION

I strongly object to this vague proposal which plans 480 houses (with probably 1000 cars) at the end of a residential area with extremely limited access. Already the Downview traffic is appalling. Public transport is almost non-existent. The schools and surgeries are already full up. This will overdevelop Felpham and merge it with Bognor, making a village into a town. The Local Plan does not need or support this. It should not be passed.
