PLANNING DEPT.

Report housing dev. on
FP 1274/21/00T

Bogner, Lof Course
objection by 9. April.

8 - APR 2022

10. Roundle Square
Felpham. W. Sussex. PO22 6LE
7. April 2022

Plg. App. FP/274/21/OUT

Dear Sirs

I write to state my objections to the proposal to build houses on the existing golf course. The thought of yet another housing development in Felpham fills me with horror.

- ① The existing golf course is a marvellous green space with beautiful mature trees - fantastic for wildlife & carbon storage.
 - ② Downview Road cannot cope with more traffic. At school run times it is chaotic. It always has potholes - very dangerous for cyclists.
 - ③ Existing facilities are already inadequate. It has proved impossible to find an NHS dentist for my grandson. Hundreds more homes will be detrimental to the village of Felpham & surrounding roads etc.
- There are several local properties that have been unoccupied for decades - eg. a bungalow in Normans Drive & the big house on the N. side of Felpham Way. These & brown field sites should be utilized before destroying our green lungs.

Dip LA. (Glos):
