Thank you for your internet representation made on 20th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47647

I object to this planning application, and the reason being that Further Information has just come about that Downview Nursery School is closing due to unfit for purpose building, hence another problem of where would 450 children go to nursery school. Also there is no ecology survey done for bats and water voles and decisions should not be made without protected species survey.

Your views as made above will be considered before the application is determined.
