Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 15th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48177

As a local resident, I regularly walk through the woods and fields at the side of the golf course, as well as over the public footpath that runs through it - even though they have taken down the signposts. There are many mature trees that would be demolished should this housing estate go ahead, together with the habitat of deer, heron, foxes and many other birds and animals - they will be moved further north towards the Barnham trail and Barnham, being driven out of Felpham. I walk around this area at all times of the day - other than in the morning, the golf course is often empty! If they really had that many people wanting to play, it would be packed at all times.

Please do not let this housing development go ahead - there are not enough facilities in this area to keep cramming more and more people in, as well as the ever increasing amount of traffic being generated.

Your views as made above will be considered before the application is determined.
