Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 15th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48210

My objection relates specifically to the use of Downview Road as the access point to the proposed housing estate. It would be both ludicrous and dangerous to children to use Downview Road as an access point. The road is absolutely choc a bloc twice a day, with families parking to let children out of cars. There are road humps to provide safety. No doubt if cars were to come from the estate they would not only create havoc in Downview and neighbouring roads but most of them would be causing further havoc in Felpham Way as they tail back on route to either Chichester or Littlehampton. My suggestion is that if the council do agree to the estate or are overturned by the government, they fork out to connect to the estate via the relief road. Thereby avoiding unnecessary danger and havoc.
