Thank you for your internet representation made on 15th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48233

Application is made with no regard for the environment, is in an area of valuable mature trees adjacent to and on an area that experiences serious flooding. Access onto a residential road Downview and as minimum should access onto the new A259 Bognor bypass/ Charles Purley Way. Additionally a meeting of Conservative Councillors and Michael Gove was held on the site for conservative fund raiser this must raise concerns with planning authority and influence that is being used to go against recent directives and restricting planning and levelling up in an area that already is experiencing over development and local services and infrastructure cannot cope
