Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 16th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48239

The level of development here is unsustainable for the wider network of amenities. The proposed access would create severe congestion on the Felpham way road traffic junction entering the downview estate, to get here you are increasing traffic either onto the A259 bypass - which has increased traffic due to further industrial/retail parks or the alternative is through bognor regis town itself. Outside of this the local doctors surgery is already heavily subscribed with current demand. This doesnt even allow for increased pressure on school places, dentists, loss of habitat for local wildlife, level of flooding on the current golf course that occurs. Only new developments that allow for doctors/health provision, education and good foundations for traffic links - including access to public transport and providing for expanding the local road network should be allowed and this development offers none of this. I object to this proposal in its current form

Your views as made above will be considered before the application is determined.
