Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48650

Totally unacceptable the existing inter structure cannot cope now with the volume of traffic Downview Road would not be able to carry the amount of expected extra traffic, endangering the lives of school children. An existing mature environment is to be destroyed for a second rate housing scheme destroying the green corridor, and building on a flood plain which is one of the reasons the golf club say they want to move as the course is unplayable in the winter months, and goes against the government and environment agency advice.. why build a Felpham Relief Road and then put upto 1500 cars back through Felpham !!!

Your views as made above will be considered before the application is determined.
