Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48649

This is blatant over development with no provision for necessary infra structures to support it. It's already almost impossible to get a doctors appointment and the roads are so congested they are at standstill at peak times. I am being treated for a critical illness and getting to and from hospital in an emergency has become a matter of life and death due to sheer volume of traffic. This and lack of educational provision is an absolute ludicrous situation and unsustainable for a small village such as Felpham. Whatever space the developers intend to leave for recreational use will be so oversubscribed by increased population that it will be untenable. There is literally no where anyone can move in this area

Your views as made above will be considered before the application is determined.
