Thank you for your internet representation made on 4th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48677

I object to this new development as it will put a strain on the already congested smaller roads and school. It has already seen a lot of green land built on with the loss of many trees and made the whole area much noisier. Let's not lose any more of Felpham's character by cramming even more houses in and congesting it with even more traffic. Plus previous new build has brought a lot of anti social behaviour that is not being dealt with.

Your views as made above will be considered before the application is determined.
