This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48681

There is even greater need to protect wildlife and green spaces. Not just those species who are endangered and protected, but all wildlife and green spaces.

There is no justification for building on this vital green space.

None of those magnificent trees, vital for insect and bird life should be demolished.

The local hedgehog population would be in great peril from this development, during the works.

It's existence as a green corridor is vital to be maintained in this area.

During the pandemic this area was a source of great comfort to the locals out on their daily exercise. It's importance should not be underestimated in normal times also.

Your views as made above will be considered before the application is determined.
