I can't believe I am having to put into writing, yet again, how I oppose this crazy development, the feeling locally from the majority of residents do not want our precious open space built on. We will be looking at least a further eight hundred cars on a very minor road, that see local school children crossing and the older generation, it will put lives at stake. The destroying of a wildlife habitat that homes woodpeckers, bird of prey, deer, foxes, reed warblers, bats and so many other species. The beautiful pine trees destroyed. It makes me so angry, the over crowded doctors surgery at Flansham is already full, where will we place the children in schools, Downview and Bishop Tufnell are close to be over subscribed. The golf course floods, how can this be suitable housing land?? I have lived in Felpham all my life and feel so strongly about the potential development that I would move out of the area if it went ahead.
