Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 5th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48751

I strongly object to this proposed development for the following main reasons:

- Infrastructure is already severely stretched - roads, GPs, schools are all at capacity. A further 480 homes will cause the roads to become even more gridlocked (traffic is a nightmare already!) and local services increasingly inaccessible
- Green corridor - this has been consistently eroded over the past years. Some space needs to be preserved otherwise all land between the coast and Chichester will be developed before we know it. The revised plan still makes a completely insufficient attempt to provide sufficient landscaping or habitat retention for the local area.
- Flood plain - the golf course is well known to flood for a considerable period of time each year (the main reason the golf club want to move!). This land is therefore totally unsuitable for additional housing development on and puts existing surrounding homes at flood risk.

Your views as made above will be considered before the application is determined.
