This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 5th July 2022 which has been recorded as support with the comments as follows:

I think the new golf course will be a great asset to the area. Golf is a great sport which caters for all age brackets and the area needs a larger course with more modern facilities.

We need more affordable housing for locals like our grandchildren and the land that the old golf course is on is suitable for housing and parkland. The plans have provision for both.

Your views as made above will be considered before the application is determined.
