Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 5th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48770

There is not enough infrastructure in the area for more houses. The doctors are at bursting point & trying to get an appointment is already so difficult. The local roads are full of potholes already & more cars will make this worse. The schools don't have enough room & the parking for school runs is already at its limits. The green space across Sussex is rapidly diminishing & we are supposed to be considerate to the animals & insects & the eco system. There are already foxes roaming the streets in the daylight as they don't have anywhere else to go. We are supposed to be saving the planet but I don't see how building more houses & getting rid of green space is helping with that.

Your views as made above will be considered before the application is determined.
