Thank you for your internet representation made on 6th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48800

The is absolutely ludicrous as someone that is living locally the schools and infrastructure are already at breaking point. Other new build properties in the area have attracted undesirables and the crime rate has gone through the roof, where they are proposing these houses is rich with wildlife and protected species as well as a walking point for many people. The schools are also surrounded by these beautiful fields and our children deserve to be free of pollution and built up city.

The doctors are already impossible to see, the schools have waiting lists. The village simply cannot support this kind of build.

I am currently saving to buy a house and cheap homes would be lovely but the golf course simply is the wrong place for them!
