Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 6th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48834

Further alterations to the outline plans do not justify the destruction of so much habitat, I notice the trees with TPO's on them along the boundary with my house are earmarked for removal. Why? they are home to Blackbirds, Finches, Robins, Jay, Pigeon, Red Kites, Owl, Woodpecker even a Heron has been regularly seen here. This will destroy our privacy and the new houses will look directly into my garden and windows. The golf course are trying to get out of the mess their bad management has created with no thought to the consequences for Felpham and most people who are pro- development do not even live in Felpham. This should have a bearing on the decisions to reject this scheme.

Your views as made above will be considered before the application is determined.
