Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 6th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48836

Further to my previous objection, I understand there is a proposed new access to the site. Its not clear where this access is. I am very concerned if its Downview Road. Quite apart from my personal concern, it would be foolish and downright dangerous to place more traffic on the road. At 8:30 am and in the afternoon there are literally hundreds of children on Downview Road with parents dropping kids off. If traffic were to come down Downview most of it will then go either Littlehampton or Chichester Way. If access was made to the relief Road directly it would save a lot of problems. Of course thats without the additional infrastructure needed. Schools, doctors surgery etc.

Your views as made above will be considered before the application is determined.
