Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 6th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48838

Clearly any plan which uses Downview, golf links roads for access is unacceptable. Felpham village cannot take the traffic, at school time the question can stretch to butlins and beyond and through Felpham village.

Any councillor or planner who allows this development should be held accountable for any accidents or fatalities and named and shamed. All you have to do is stand in Downview Road at school time and see children walking across the road and cycling across the road to see the danger. This development is a disaster waiting to happen. It only takes one life changing accident for the planners counsellors planners to be held accountable.

Your views as made above will be considered before the application is determined.
