I would like to oppose the building of houses on this site. The amount of new housing in Felpham has impacted in a very negative way over the years and antisocial behaviour ,congestion is spoiling the very wellbeing of the area. These reasons may seem very trivial to developers but to the people who actually live in the area the very idea of traffic on Downview road, schools , etc . I think we are entitled to some countryside and green spaces . I am not great with words and my plea may seem weak but I totally back the opposition to building on this site. Brenda Wood.
