Thank you for your internet representation made on 9th July 2022 which has been recorded as an objection with the comments as follows:

This development will destroy Felpham as a village you are producing a town but keeping to services and amenities of a village. Roads not good enough, schools not enough of, Doctors and medical facilities not enough of, Police not enough of and building 480 homes with hard standing concrete areas etc will create extra run off water thus increasing flooding risk to homes and existing businesses, which could cause businesses like Rolls Royce to move away thus creating mass unemployment. The area is already subject to many floods ask Tesco supermarket how much they have lost over the years because of it. Totally goes against government and The environment agency guide lines for not building on flood plains..

Your views as made above will be considered before the application is determined.
