Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 21st July 2022 which has been recorded as an objection with the comments as follows:

OWPC49273

There have been many objections stating the consequences of a further 1000 cars a day travelling on Downview Road but let's not forget the safety concerns of the proposed new golf club site. Golf club members coming from Elmer and Middleton will travel up on the B2132 and attempt to enter the east bound side of the A259, where there have been many accidents and deaths so some form of roundabout or traffic lights will need to be built. Further along the A259 will be the new golf club entrance so there will need to be a widening of the road and a central slip lane created otherwise traffic jams will build up quite quickly. Also take into account the huge numbers of extra houses planned for Clymping and surrounding areas, it will be chaos unless major changes to the road network are done to accommodate such an increase in traffic.

Your views as made above will be considered before the application is determined.
