Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 21st July 2022 which has been recorded as an objection with the comments as follows:

OWPC49278

I will not repeat the myriad of extremely valid objections to this short sighted proposal. Please take them seriously.

Previous councillors have been vilified for the destruction of iconic buildings in Bognor Regis. Do you really want your legacy to be the decimation of one of Felpham's last remaining greenspaces?

Please keep our village a village .

I feel the 'much needed housing' will be taken up by those moving from other areas who can now work from home.

They wish to enjoy our lovely village - ironically it is being destroyed to accommodate them.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.
