Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: FP/274/21/OUT  
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD  
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 30th July 2022 which has been recorded as an objection with the comments as follows:

OWPC49459

Building on the golf course would be at the detriment of the area. Green spaces are being lost at an alarming rate with little regard for the local residents. The congestion on our roads which exists currently is difficult to negotiate and to create further problems is incomprehensible. The impact of further building on the area, the environment and wildlife would be devastating. I am entirely opposed to this project and see the desecration of the golf course land as a betrayal of the local residents who are proud of this much loved facility. The minor change proposed will not make the building project any more palatable or acceptable.

Your views as made above will be considered before the application is determined.
