Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 17th September 2022 which has been recorded as an objection with the comments as follows:

OWPC50984

There has come to light that Hallam developers are using an old out of date map which does not include the latest number of houses on Site 6. Daisy Gardens is not part of the site 6 planning agreement but was a separate application and development later down the line from site 6 with a different application number and was a Worthing Homes development. So yes there are more houses on site 6 than Hallam know about, this desperately needs to be taken into consideration as it means more population in area and definately more cars.

Your views as made above will be considered before the application is determined.
