Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 12th October 2022 which has been recorded as an objection with the comments as follows:

OWPC51464

Having seen the final response from WSCC Highways I am shocked that the proposed scheme at the Downview Road Traffic light controlled junction is apparently acceptable. The mitigated peak time queue lengths are totally unacceptable - 258M = queue length of 51 cars, 163m = queue length of 32 cars (based on an average car length + gaps of 5m).

I am also hugely concerned at the increased risk to the health and safety of pedestrians and cyclists that the rephasing of the traffic lights will cause and this proposal undermines all the risk management solutions that have been implemented as a result of the number of previous incidences including fatalities.

I also believe that this proposal takes the village back to the situation that it had prior to the construction of the Charles Purley Way and I am deeply disappointed that the mitigation works that took place following the Blakes Mead development will now be negated.

Your views as made above will be considered before the application is determined.
