Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 13th October 2022 which has been recorded as an objection with the comments as follows:

OWPC51520

I found it incredibly disappointing and frustrating that WSCC Highways have now decided to withdraw their objection to the Felpham way/Downview road junction as the main entrance to the site. What has changed , NOTHING. The applicant has submitted minor changes to the proposal to use Downview road and this has been accepted as adequate. This clearly shows that the WSCC has no regard for local opinion or safety. No matter how many simulations or programmes are produced this will not account for the human factor, something that has clearly been ignored. This proposal cannot be allowed to be approved. As many objectors have already said, build up of extra traffic, road safety to pedestrians and cyclist will only increase risk to the interested parties and any risk increase is unacceptable.

I urge the planning committee to decline this application for the future safety and continued safety of all.

Your views as made above will be considered before the application is determined.
