Dear Sirs,

I understand WSCC have given the go ahead for Downview Road to be an access Road for the proposed housing application for 400 homes to be built on Bognor Golf Course. This is absolute madness! The road is absolutely packed at 8:30am and about 3:15pm. I struggle to get out of my drive. Were there to be extra traffic either in the form of trucks carrying building materials or the eventual additional traffic of at least

800 cars, the road which incidentally has speed bumps for safety reasons would be jammed and a severe risk to school children. I strongly object to this approval and suggest the council gives some serious thought to this.

Yours faithfully
John Bond
64 Downview Road.
