Good morning David,

Thank you for your email and seeking this Extension of Time with your colleagues.

I can confirm that the Applicant for both applications FP/274/21/OUT and M/16/22/PL agrees to the extension to 27/01/23.

I believe the only outstanding matters relate to the EA comments on M/16/22/PL, which we have reviewed and assessed the modelling, and the drainage officer comments on FP/274/21/OUT, which we have also reviewed and addressed. The responses to these two consultation comments will be submitted to you shortly. Aside from that we believe all matters have been resolved. Please can you confirm you are not awaiting anything else from us?

I understand these applications are due to go to committee on the 11th January, are you able to confirm what your internal targets are?

Kind regards,

Kate Coventry Senior Planner

Morning Kate,

I have now had confirmation back from the Council. Can you confirm your agreement to an extension of time for applications FP/274/21/OUT and M/16/22/PL through to 27/01/23?

As previously discussed the application is due to be heard at the 11 January committee and thereafter there needs to be sufficient time to issue the decision notices.

If you can confirm in writing and I will get the admin officer to amend the portal.

Thanks

David Innes
