Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 13th January 2023 which has been recorded as an objection with the comments as follows:

OWPC54201

My objection concerns the extra sewage/waste water that will need treatment if these houses are built. It seems to me that Southern Water is unable to treat the amount of current sewage/waste water when there is rain (I refer to the rain after the drought this summer) when I assume the excess storage tanks were empty. What happens is the release of raw sewage along our coast - mainly in the water along Felpham. I know ADC Councilors & our MP's have spoken to Southern Water, but surely extra housing can only be approved once the planned investment in extra storage has been built. Our sea front attracts many visitors & local's among them my self & my wider family including young children. It was very upsetting for me to tell my younger grandson he couldn't swim/paddle in the sea because the release of untreated sewage had made it potentially dangerous to human health. I see other people have mentioned the flooding that has become an annual event in this area, so I will not raise that issue - but how much (even if it's available) will flood insurance cost in this area.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
