Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 28th February 2023 which has been recorded as an objection with the comments as follows:

OWPC56519

I object on the grounds of significant increased traffic congestion and increased risk of motor/pedestrian accidents which WILL (repeat WILL) result from this proposed development.
Downview Road cannot take the traffic which will be generated by 480 dwellings. The traffic management studies and mitigations are unrealistic. The only way that the traffic congestion can be mitigated is to provide access to and egress from the development via the bypass. The development can only work if the strip of land to the north of the golf course is purchased and a new roundabout made on the bypass. Not only would that be safer and reduce congestion, it is considerably more convenient for the new home-owners (on the golf club development) who wish to proceed directly towards Chichester, Littlehampton, and northwards.

Your views as made above will be considered before the application is determined.
