Thank you for your internet representation made on 2nd March 2023 which has been recorded as an objection with the comments as follows:

Yet again I feel compelled to shout the loudest and strongest objection to this proposal. Not only the loss of the Golf Course with its beautiful outlook and diverse wildlife, being replaced with 480 houses, but the insane decision to grant access via Downview Road to this new housing estate! What do people think is going to happen regarding congestion and potential accidents if this goes ahead? So much time and money was spent building the new road to take the traffic flow away from Felpham (when the last estate was built) why recreate the problem!

Also, as everyone has noticed how bad the flooding on the Golf Course was this winter, how does any one with morals think that pouring countless tons of concrete across this area will make the new properties fit to live in, without detrimental consequences to those properties and surrounding homes! Haven't places such as Felpham and Yapton and surrounding areas not had enough new homes built already! If this goes ahead, where are the new Schools, Doctors, Dentists etc? Where will all this lead? The answer seems to be insufficient local facilities, heavily congested roads and the loss of beautiful green space. Such a loss to Felpham.

Your views as made above will be considered before the application is determined.
