Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 9th March 2023 which has been recorded as an objection with the comments as follows:

OWPC56786

I cannot believe that the Environment Agency have no objection to this application. I have only lived in this area for 5 years, but every year it seems the golf course is flooded and all the fields surrounding it, together with the over flowing Rifes not least when Butlins opens its sluice gates. The last two years Tesco car park has been a foot underwater. So I ask that more clarification be provided by the Environment Agency and the developers in how they will deal with this flooding issue without affecting the surrounding buildings to the golf course. let alone the 400 plus houses to be built here. This is an additional objection to my previous one. Would you buy a house on this developement???? It seems irresponsible to allow this application to be granted.

Your views as made above will be considered before the application is determined.
