Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**

**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 9th March 2023 which has been recorded as an objection with the comments as follows:

OWPC56821

As we live next door to the clubhouse we feel that the exit is going to have an adverse effect to us with more traffic entering Downview road. The extra build alongside the golf course to the bypass has added a lot more traffic especially when Downview school opens and closes even without an access. At these times our road will become a no go zone. What will become of the clubhouse, a pub on our doorstep? Finally I don't believe the alteration to the Downview traffic lights will keep the crossing safe for pedestrians especially children going to school. Cant the developers put in an access from the by pass with another roundabout.

Your views as made above will be considered before the application is determined.
