Thank you for your internet representation made on 21st August 2023 which has been recorded as an objection with the comments as follows:

OWPC61271

Reject the proposal - the area floods the majority of winter and has for as long as I can remember. All the wildlife (deer and foxes, rabbits, birds etc) that live in and use the area as one of very few green places left here will be displaced. Area is completely over crowded! Not enough facilities for everyone, not enough roads, traffic will be even worse than it already is.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.
