Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 23rd August 2023 which has been recorded as an objection with the comments as follows:

OWPC61359

I object to this proposal for the following reasons.

1. Impact on local wildlife, meaning that it will be displaced and potentially die. Wildlife including deers, rabbits, hedgehogs have already lost enough land in the area and are being pushed out.
2. There are some well established trees on the golf course that will suffer from the building.
3. The paths through the golf course provide nearby access to an extremely beautiful area, this would be lost, meaning access to the countryside is further away for Felpham residents.
4. Area prone to flooding which has been worse in the last few years, which means building more houses will push this water elsewhere and potentially flood areas/properties that do not currently flood.
5. Current infrastructure such as doctors, dentists, hospitals, roads are unable to support further building and more houses.
6. Derelict properties and brown field sites should be used before taking away more green spaces.

Your views as made above will be considered before the application is determined.
