Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 30th August 2023 which has been recorded as an objection with the comments as follows:

OWPC61506

Further to my previous comments about this proposed development I would like to reinforce my objection following the winter 2022/23 and highlight the excessive flooding issue with the golf club and surrounding area which will be severely exacerbated by housing on the area. Additionally with the price of food and food shortage it would far more productive to return the land to agricultural and grow food to support UK self sufficiency.

This would also avoid the dramatic increase in traffic and need for doctors which are woefully inadequate at the current capacity levels.

No further development should be approved until the A27 Chichester bypass has been approved and implemented, alongside more medical centres and schools.

Your views as made above will be considered before the application is determined.
